Versa Chair

Two-Tone Comfort: The Modern Executive's Seat

Choose between two distinct styles: the full-leather edition for a classic, timeless look, or the innovative leather-front, fabric-back design for a contemporary touch.

Both options provide a high-back structure for superior support, and an ergonomic design tailored for extended comfort during work.

Jonka Chair

Widened Seat

The widened seat cushion increases the support area and bids farewell to cramped conditions. When you sit for a long time, you distribute stress, your hips are more relaxed, and comfort skyrockets.
